

Attendance Policy and Skater Etiquette

Skater Etiquette Policy:

We are a skating family. Bullying and berating your fellow skaters or other skating families will not be tolerated. All of our skaters work hard to get where they are and deserve only praise and well wishes. If these rules are broken, action will be taken to correct the issue. This is a no-tolerance policy that will be upheld.

Skaters are expected to give full attention to the coaches at all time and comply with all instruction. Any skater misbehaving during practice may be dismissed from practice at the discretion of the coaching staff. Coaches will notify parents when this occurs. Continued behavior problems will result in disciplinary action and will jeopardize the skater's status with the team.

Attendance Policy:

This attendance policy has been created using the USFC handbook as a guide: All practices are mandatory. If a skater misses 3 or more, they may lose the privilege of performing in the upcoming final show. The coach will make this decision on what's best for the team.

Practice during an illness or injury: If a skater is unable to skate due to injury, he or she is expected to attend practice so that he or she will be aware of any changes upon returning to the ice. Skaters who have a contagious illness are asked to NOT attend practice.

Observing a practice due injury is not considered an absence.
